ErisTerminal™ SIP DECT Base Station and Cordless Handset Register up to 6 cordless handsets

VSP610A

Add hands-free mobility to your SIP communications with the VSP610A base station. Expand up to six VSP601A SIP cordless handsets per base station, each with its own extension or unique phone number. The base station can be configured for up to six lines and supports up to four active, concurrent calls.

VSP610A Key Features

Super-clear mobility with Orbitlink Wireless Technology.
Leave your desk without leaving your work behind and enjoy DECT sound quality and reception.

Scalability.
Growing pains? Register up to six cordless handsets and/or desksets to the VSP610A DECT cordless base station and program each one with its own phone number or extension.

Advanced call handling.
Impress customers with comprehensive call handling features that are compatible with hosted and open-source PBX platforms.

Simultaneous call handling.
View and manage up to two calls at the same time (per handset). Calls are displayed on screen, making them easy to answer, transfer, forward, etc.

Flexibility.
With support for up to six SIP lines/accounts, you can manage multiple calls with advanced call handling features.

Possible to increase the operating range.
The handset operating range is double if it is registered with a DECT Repeater VSP605A.

Intuitive design
You're in business with a user-friendly interface, large backlit display, two soft keys and navigational pad.

Convenient mounting.
Make the most of tight spaces. The VSP610A DECT cordless base station can be free standing or wall-mounted.

Power over Ethernet (PoE).
With PoE support, you can locate the phones anywhere that's convenient - no AC outlets or complicated wiring required.

Installation and Provisioning.
Integrated IEEE 802.3at PoE enables efficient deployment. Supports FTP, TFTP, HTTP, and HTTPS protocols for file provisioning. Model is configured by default to use Trivial File Transfer Protocol (TFTP), supports AES encrypted configuration file.

Three-year warranty.
Enjoy the peace of mind that comes with an industry-leading, standard three-year warranty.
